

BAD WEATHER PROCEDURES

Let's hope we don't have a winter like last year! In the event of snowy or icy weather I will check with the Primary School most local to the class venue and follow its lead. If the school deems it necessary to shut so will Weeny Boppers. The schools make an objective assessments based on the condition of the roads and surrounding area and ability of people to travel. This policy aims to be fair to everyone and to avoid subjective judgements (one person's drive may be covered in snow, while another's isn't; one person is prepared to travel while another isn't etc.)

If I have to cancel a class due to bad weather this winter **I will announce it by 9am that morning on the homepage of my website and on Weeny Boppers' Facebook Page.** If it snows and you are unsure whether classes will be running please check my website, or for those who aren't online ring/text me before setting off. I'm afraid it will be **impossible to ring each person individually due to numbers and practicalities of getting hold of people.**

If classes are cancelled I will offer future class credits or refunds. In the event of some individuals not being able to attend classes that are running I regret my normal non-refund policy will still apply.

NEW TERM: 4/1/12 - 10/2/12
(Sutton/Haworth 6 weeks @ £23.10; RIDDLESDEN 5 weeks @ £19.25)
